

Physical Education

Level 2

Course Requirements:

90% attendance
Completed level 1 NCEA requirements including literacy and numeracy

Aims:

Appraise, develop and share strategies to improve performance. Use critical thinking to consider how values shape beliefs and attitudes. Perform a physical activity in an applied setting.
Students who complete all units of work for this course will attain a MIT certificate of Achievement in Sports Studies.

Course Content:

1. Performance in sport
2. Methods of training
3. Biophysical principles
4. Significance of physical activity

Where can this subject take you?

Level 3 Physical Education
Certificate/diploma level tertiary study

Further Assessment Opportunity and Resubmission

(Refer to student Handbook for more information)

A further assessment opportunity occurs after you have submitted work / sat a test for an assessment; you do a new assessment after further learning has taken place.
For this course there will be one further assessment opportunity for each standard.
A resubmission can be offered to you by the teacher if they believe you can correct errors or omissions in your work in a short period of time; it does not involve a new assessment. A resubmission must take place before the teacher gives any feedback on the work done. There can be only one resubmission.

Appeals (Please refer to student Handbook for more information)

If you are unhappy with any of your results you should discuss this with your teacher. If you are still unhappy then an Appeals form should be completed; this is available from the HoF; forms need to be completed and returned to your HoF within 5 school days of receiving your grade. If you are still not happy you can then see the Principal's Nominee. At NO time, during this process, should you contact NZQA.
