

English - Communication

Level 3

Course Requirements:							
Open entry							
Aims:							
To enhance oral, visual and written communication in readiness for life.							
Course Content:							
A selection of Communication Skills standards offering writing, listening and oral skills. This includes Level 2 AS 91101 and 91106 which contribute towards UE literacy.							
Where can this subject take you?							
Every walk of life requires that we are able to communicate with others, as well as about ourselves and our ideas. We also need to be able to understand valuable information and ideas. The English Curriculum enhances these essential skills.							
Further Assessment Opportunity and Resubmission (Refer to student Handbook for more information)							
A further assessment opportunity occurs after you have submitted work / sat a test for an assessment; you do a new assessment after further learning has taken place. For this course there will be one further assessment opportunity for each standard. A resubmission can be offered to you by the teacher if they believe you can correct errors or omissions in your work in a short period of time; it does not involve a new assessment. A resubmission must take place before the teacher gives any feedback on the work done. There can be only one resubmission.							
Appeals (Please refer to student Handbook for more information)							
If you are unhappy with any of your results you should discuss this with your teacher. If you are still unhappy then an Appeals form should be completed; this is available from the HoF; forms need to be completed and returned to your HoF within 5 school days of receiving your grade. If you are still not happy you can then see the Principal's Nominee. At NO time, during this process, should you contact NZQA.
