# School Notice

## Thursday 4<sup>th</sup> March

*Kia ora and Greetings to All,*

*Like many of you, I am hoping that the announcement tomorrow will mean that we can reopen soon. We will probably all be watching TV or listening to a radio tomorrow afternoon!*

### **Learning at Home: Workbooks, Laptops and Internet Connections**

There are two types of workbooks with a week's worth of work in them.

- The Junior Workbook is for Year 9 and 10 students.
- There are 3 workbooks for Year 11 students, covering English, Maths and Science.

We have now stopped issuing laptops, until further notice.

If you need an internet connection (Modem) please text Cam on 0212427286 to arrange a time to collect it.

### **Learning at Home: Where to find Workbooks**

Workbooks are available from several locations in our community including:

- McDivett Street Dairy
- Pātaka outside our school
- Pātaka on Beeston Crescent
- Pātaka on John Walker Drive
- Pātaka on Maplesden Drive

If any of these places needs to be restocked, please let us know.

### **Essential Workers and Those Who Have To Work**

**If you have to work and you need your child to be at school tomorrow**, please call or text me on 021 336 328 this evening, tonight, or before 7:30am tomorrow morning.

We will have a dedicated staff team (bubble) at school to look after your child/ren and we will be providing masks etc to keep them safe.

### **Looking Ahead**

Tomorrow's newsletter will outline what we will be doing next week.

*Stay well and stay safe. Thank you for your support and understanding.*

*Arohanui,*
