School Notice
Friday 5th March

Kia ora and Greetings to All,
This is our last school notice for this lockdown.

This Last Week…

A huge thank you to all of our students, whanau, community members and staff who have helped and supported each other during the last week.

Lockdowns are not easy, but we have really appreciated the way in which you have helped us and each other.

He waka eke noa, we do this together.

Next Week

School will reopen on Monday 8th March at Level 2.

Level 2 Next Week

My total commitment to every family, student, and staff member of our school is that our school will be one of the safest places in our community.

And I know I have the support of our staff and our student leaders to make this happen.

We will have sanitiser throughout the school, and used at class changes. There will be no large groups (e.g. assemblies). We will encourage social distancing and healthy hygiene habits. Facemasks will be strongly encouraged, and will be freely available to students and visitors.

I look forward to welcoming all of our students back as they come through the front gate on Monday morning ready to start classes by 8:35am.

If you have any questions or concerns about Monday's restart please contact me on 021 336 328.

Thank you for your support and understanding.
Arohanui,

Grant
