Changes to NCEA for 2021

Because being in COVID-19 lockdown has affected learning and assessment, changes have been made to NCEA, NZ Scholarship and University Entrance. These changes help give students a fair opportunity to gain the qualification they are aiming for.

1. What does this mean for students?

- The more credits you achieve the more you are entitled to.
- For every **four** credits you achieve through internal or external assessment, you are entitled to one extra credit. These extra credits are called Learning Recognition Credits (LRCs).
- Up to **16** of your LRCs earned this year can be used towards the 80 you need for NCEA **Level 1**.
- Up to **12** LRC's earned this year can be used towards the 60 you need at **Level 2 and Level 3**.

2. Endorsements are still achievable

- To get a **certificate endorsement** you will need 44 credits at Merit or Excellence level, instead of the usual 50.
- To get a **course endorsement** you will need 12 credits at Achieved or Merit or Excellence level in a course, rather than 14. You still need to achieve at least 3 credits in externals and 3 in internals.
- Your LRCs don't come with Merit or Excellence, so they can't count towards an endorsement.

3. University Entrance has been adjusted

- For 2021 the UE requirements have been adjusted from 14 down to 12 credits in three **UE-approved subjects**.
- You still need to have NCEA Level 3 and the usual **literacy and numeracy standards**.

4. You've got more time to study.

- Most portfolio due dates and exams for NCEA and Scholarship have been moved later, to give more time for students to learn and prepare.

5. What do I need to do?

- Keep working to make sure that you achieve as many standards as you can. Your teachers will help you to track your progress.
- You don't need to do anything else to get your LRCs. NZQA will do the calculations before you get your results.
- Make sure that you know when your portfolios are due, and double check the **new exam timetable**.

NEW STUDENTS TO JCHS DURING 2021 – Caution.

Credits achieved at your previous school, will have LRCs calculated based on where your previous school is in New Zealand. Credits achieved whilst at JCHS, will follow the rules above.

The modifications above are for schools in Tāmaki Makaurau only. Please see Ms Coyne and / or Mr King for further assistance to compute your LRCs.

- If you need any more information, talk to your Classroom teacher, Tutor teacher, or Mr King who manages NCEA or ring NZQA on 0800 697 296.
