

*Kia ora koutou, Good afternoon*

*Welcome to Te Wiki o Te Reo Māori – Māori Language Week*

We have school workbooks and MOE packs for years 9, 10 and 11, which are available from the collection bins or the Pataka in front of the school. There is also work for all students on our website.

Year 12 and 13 students are supposed to be engaging in on-line learning, and we have tried on several occasions to make sure that every Year 12 and 13 student has a laptop and a free wifi connection. We have assisted several Year 12 and 13 students over the last few weeks, but please contact us if your Year 12 or 13 student has any issues.

If you are concerned about your child's wellbeing or happiness under lockdown, please text or call our Head Counsellor, Leonie, on **021 871 094. We can help.**

The '**Covid-19 Community Resources**' section on our website has details for all sorts of community groups who can help whānau in many ways, including foodbanks and other help.

## Te Wiki o te Reo Māori

Here's a fun activity for the whole whānau.

Tomorrow at noon the organisers are trying to set the world record for people speaking and celebrating an endangered language at the same time.

## More Time at Level 4

It was probably no surprise when we all heard the news this afternoon that we are in Level 4 for a while longer.

Our school's senior staff are already thinking and planning ahead for what we will do when we do return to face-to-face schooling in level 2. More on that closer to the time. In the meantime: **We have got this, and We can do this!**

If you want to take a positive action – please encourage your whānau to get vaccinated so we can protect each other.

**He waka eke noa • We are all in this together**
