School Notice

Friday 10th September

Malo 'etau ma'u e efiaki ni, Good afternoon,

This weekend would be a great time to get vaccinated!

Make your whanau and yourself safer while we are still in Level 4.

Getting Vaccinated

No Booking is needed if you go to Manurewa Marae.

- Just 'walk in', take your whanau with you, especially anyone over 12 years of age
- Please wear a mask
- They will help you with everything

Manurewa Marae has already provided 33,000 vaccinations to whanau from all over Tāmaki Makaurau, and the Prime Minister.

The Marae is at 81 Finlayson Avenue in Clendon Park

Check out his awesome video by the Hahana whanau tamariki explaining what the Covid-19 Delta variant is and why vaccination is so important:

If you have Cold or Flu symptoms – Please get tested

The more Testing that gets done – the better.

This means the Hauora agencies can better work out where Covid is and isn't, and this information will help decision makers decide when Tāmaki Makaurau will change levels

The drop-in Testing Station is open tomorrow on Weymouth Road, opposite the BP.

All the Best for Your Weekend Ahead
