### An Enrolment Zone for Our School

Our school roll is growing, and is projected to continue to keep growing for the next few years.

So the Ministry of Education (MOE) is putting an enrolment zone (school zone) for our school. This is being consulted on now, and the MOE are seeking feedback through their website.

The link is: [https://consultation.education.govt.nz/education/james-cook-high-school-enrolment-scheme/consult\\_view/](https://consultation.education.govt.nz/education/james-cook-high-school-enrolment-scheme/consult_view/)

Essentially, the MOE are proposing our zone follows the natural boundaries of the shoreline and the Manurewa-Papakura boundary. The only 'new' part is to the north, where there would be an overlap with Manurewa High School's zone. So, whānau in the overlap would have the right to choose between MHS and JCHS. Which already happens a lot now.

**This new zone will not come into effect until next year.  
So, enrolments for 2022 are not affected.**
