There are now collection bins outside the school where you can collect MOE hardpacks for years 9, 10 and 11, and also for Year 9 and 10 students in Puutake.

These collection bins will be kept topped up until the packs run out.

Remember also, that in the Pataka Pukapuka we also have copies of the JCHS workbooks we issued at the start of lockdown.

Our website also lists and has links to all of the other work and support we are providing.

If you have any concerns about your child's wellbeing or happiness under lockdown, please text or call our Head Counsellor, Leonie, on **021 871 094**.

Getting Vaccinated

No Booking is needed if you go to Manurewa Marae.

- Just 'walk in', take your whanau with you, especially anyone over 12
- Please wear a mask

Toia te waka mahi ate mahi • Be actively involved.

Just before we went into lockdown we had two groups of students involved in two quite different activities, both of which benefit our community at the same time as providing valuable learning.

One group planted 711 native plants at Ararimu, and the other group set up 4 beehives in Papakura, Karaka and Kingseat.
