School Notice

Friday 1st October

Kia ora koutou,

Today is the last day of Term 3, and probably at the start of the term no-one thought it would end like this.

The next 10 days are a chance for your children / our students to regather and refresh.

I am confident that we will be back to on-site learning at school next term and I am hopeful that it will start on Monday 18th October.

The next 10 days are also a chance for our staff to look after their own whanau, take a bit of a break, and also prepare for the final term of the year.

Next Term

Next term matters. A lot.

We are completing the detailed planning for next term, which has included checking every single NCEA student's learning and achievement to date.

We are not going to go overboard, but we will be focussed. We are not going to pressure-cook our students, but we will have a plan for each of them to ensure that they achieve, especially our NCEA students to achieve their qualification.

We are going to look after the health and wellbeing of everyone on and in our school. Our school will be amongst the friendliest and safest places in our community. We are also going to make sure that every day matters and that time is used well, but we are going to have some fun too.

When we get to Level 2 it will be because it is safe to do so. And it will also be safe at school.

As parents and whanau, we care deeply for our children. Our staff also care about our students, a lot. Your child will be safe at school, **so please support your child to be at school on time from the first day we open.**

Then with your care and our mahi, together we can give your child the learning and the ability to complete their studies that they deserve.

The Next Newsletter

The next newsletter will be on Monday 11th of October, the start of the second week of the term break. This will have more information about what is happening as we start back and during the term.

Monday and Tuesday next week we are hosting a Vaccination Centre here at the school.

Is this still on your 'To Do List'? Haere mai, Come on down, there's no better time than now.

He waka eke noa • We are all in this together
