# School Notice

## Friday 22<sup>nd</sup> October

*Fakaalofa lahi atu and Kia ora koutou,  
A reasonably short and sweet newsletter tonight.*

### If You are Back at Work and Need Your Child/ren to be at School

Our school is open to students who can't be at home because their parents or caregivers are working.

If you need to have your child (our student) at school during the day please contact me by text or call me on 021 336 328. Or email me on [principal@jchs.school.nz](mailto:principal@jchs.school.nz)

### Year 11, 12 and 13 Students Returning to On-site Learning

We are open from next Tuesday for all NCEA students.

We know that there are many reasons why students or whānau might be hesitant or anxious about this. Reasons could include:

#### Is it safe?

Yes. We will be following all of the safety protocols and have in place routines and practices to ensure our school is very safe for everyone here. Students and Staff.

#### I haven't done enough school work during lockdown.

There is no need to be whakamā or worried. We know how hard and disrupting this lockdown has been. Remembering it's also our 5<sup>th</sup> lockdown. Don't worry.

Teachers will start with where students are at. With the first focus on being "settling in again". We have also mapped what each NCEA student needs to complete their qualification, and our staff are ready to help.

#### Not sure?

If you have a choice, my suggestion is that you look at how much learning your child is doing on-line or "off-site". If you believe that they would get more done and be more successful back on-site, then give next week a try to see how things go.

***NCEA students should be on time by 8:30 please and will be released at the normal time of 3pm. They do not need lunch as school lunches are provided.***
