

School Notice

Wednesday 27th October

Kia ora koutou,

If You are Back at Work and Need Your Child/ren to be at School

Our school is still open to students who can't be at home because their parents or caregivers are working.

If you need to have your Year 9 or 10 child (our student) at school during the day please contact me by text or call me on 021 336 328. Or email me on principal@jchs.school.nz

Year 11, 12 and 13 Students On-site Today

Today we had 279 students learning on-site. This is an increase on yesterday and I expect that the number will keep increasing this week.

I am totally confident in the health and safety rules we have in place. So, we are now encouraging NCEA students to make the shift and return to on-site schooling. This is their best way to complete their qualifications.

We also know that there are some students in paid employment or who have other responsibilities that make it hard or impossible to be on-site at school during the day.

We will not force a student in this position to 'choose' between their responsibility or school. Instead we can put in place a tailored programme for these students to assist them

If your child has, or you are a student with these extra responsibilities PLEASE let us know. Please contact your favourite staff member, Dean or member of the SLT. You will not be in trouble in any way – we need to know so we can give you some options for how we can help.

If you want to learn more about your child returning to school, or have questions please contact me. My details are at the top of this page.

One-Day Vaccination Centre Tomorrow

Bring Everyone
in Your Whanau
over 12

Here at the School

This Can be
Your First or
Second vax
