Kia ora koutou,

Students Vaccination Register

Our school is required to maintain a register recording the vaccination status of all of our students.

Last week we sent home forms asking for vaccination details of all students who are on-site at that time asking for the forms to be completed and returned as soon as possible. If we do not receive a completed form we have to record a student as being unvaccinated.

If you haven't seen this form yet, please ask your child to pull it out from the bottom of their bag or to bring another form home from school.

We had asked for these forms to be returned by the end of tomorrow, but as soon as possible would be great! Thank you.

NCEA Exams Started Today

NCEA external exams started today and will continue until Tuesday 14th December.

Our staff are providing classes, study support and help to students involved in exams.

Not every student will have exams, as many assessment tasks (called "standards") do not have a written exam (e.g. visual art and workshop technologies which have portfolios of work). Also, almost every course will have standards which have a mix of assessments, internally assessed and externally examined.

Best wishes to all students involved in exams.

JCHS Website Refreshed

Jen Lapa, who amongst other things looks after our website, has just finished refreshing and updating our school website. Check it out at:

Last Day of This Term

The last week of this term starts on Monday 6th December. Except for some NCEA students, all students will finish their year during this week. The last day for Year 9 and 10 students is Thursday 9th December. More details soon.

Ngā mihi,

Grant
