#### **Term 4 wrap-up for senior students:**

Term 4 sees us wrapping up teaching and learning for our senior students. All senior students are now on individual learning and assessment plans.

#### **External Exam Study Leave / NCEA Completion:**

- Students sitting **3 or more external exams** and are tracking successfully to pass their qualification without relying on external exams have now been granted **STUDY LEAVE** (from Wednesday 02 Nov).
- **STUDY LEAVE = ORANGE LETTER** for parents and caregivers (see example). ➡
- Students with 3 or more external exams, but do not have enough credits to pass, are able to continue to attend school and work on internal assessments in between their external exams.
- Some students are focused only on internal assessments and should continue to attend school until they have achieved their best.
- Students who have completed their NCEA qualification for 2022 have received a **GREEN CONGRATULATIONS LETTER**. See example. ➡
- Some students have received both letters, as they have completed their qualification and are still sitting exams.
- Some Year 13 students are working towards University Entrance, are sitting external exams and still have UE internal requirements to complete. These students have individual work plans.
