

Kia ora whānau,

Next week is the last week of the school year – but also one of the most important weeks of the school year.

In addition to some students still working hard to complete their JC Diploma, NCEA and University Entrance qualifications, we also celebrate as a community and recognise the excellent achievements of our scholars in our Senior and Junior Prizegiving's. While these are formal events, they are also exciting, emotional and usually, loud!

Our scholars earn the prizes they receive on merit, due to the focus, commitment and persistence they show in class. But also due to the unyielding and unconditional support of whānau. We understand that for many of you, occasions like this are one of the big reasons you make New Zealand home – striving for educational opportunities for your children and the chance for them to forge and enjoy a prosperous future. For others, we know that the success of your children exceeds that of your own school career, and that is also a huge source of pride. So while we acknowledge the success of our students, we also *mihi* to the families whose love and support drives them. As the whakataukī says:

“He aroha whakatō, he aroha puta mai.”

We look forward to congratulating all of our prize winning scholars next week – Seniors on Thursday 8 December at 6pm, and then Juniors on Friday 9 December at 9am. We hope to see many of you there, and to share in your pride and happiness.

Ngā mihi,

S. Milton

Sa'id Milton
Deputy Principal
